CALIFORNIA AWARD

KH6, KL7, and hams outside U.S. are eligible for this free, handsome certificate by the NCDXC. Proof of QSO is required with 220 California hams, of which 20 or more are NCDXC members. Make list in alphabetical order with GMT date/time accompanied by QSL cards confirming contacts. Have it certified by an officer of any recognized ham society or club, and send it to NCDXC, Box 608, Menlo Park, CA 94025. If you send cards send IRCs enough for return postage. Endorsements for bands or modes may be applied for. QSOs must be after October 1 1946 when the NCDXC was formed — THE FIRST INCORPORATED DX CLUB IN THE WORLD.
